Park Projects / Activities

360 REGIONAL PARK

SR 302 at 144th St, Gig Harbor, WA

Trim/remove brush and wood from designated trail makers; remove litter; spread wood chips on trails; line trails with falling limbs and various lumber.

WHAT SHOULD I BRING? Volunteers should wear appropriate clothes for the season, weather, and work.

Bring gloves, shears, loppers, pruners, mattocks/pulaskis, rakes, shovels—and be sure to label them.

Bring a picnic lunch to enjoy at noon, after the work party.

Most of all bring your enthusiasm, smiles, and appreciation for our parks. Burn a few calories and have some fun, too!
