

Trail Committee
Monday, December 4, 2017
4pm
Agenda / Minutes

- Introductions

~~ Trail Committee Members present: Mark Michel, Courtland Capwell, Tanja McMurray, Clif Peterson

- Meeting scope and duration

~~The agenda and past minutes were reviewed.

- Trail Status Update

- 360: Courtland updated trail progress. Scott is revising the “super highway” (road up from Gateway) to decrease pitch and improve traction.
- Lease with DNR is through 2049.
- Allocated trail space for equestrian use was discussed. No changes were made to 2014 plan.

- Gateway Plans

- NE area is planned for uncovered arena.

- Gateway to Rocky Creek

No progress reported.

- 480 (Key Central Forest)

50 year lease started in 2011.

Discussion focused on prioritizing access from Wright Bliss versus trail building on the property.

- Transfer Station

- Taylor Bay

Terrain limitations (too steep) would make trail building a challenge.

- Additional Considerations

Trail Markers, mile markers and safety locators: Scott recommends waiting until road from Gateway is completed.

- Adjournment
