

Trail Committee
Wednesday, 21 August 2013
Agenda / Minutes

- Introductions

~~ Trail Committee Members present: Mark Michel, Chuck Kraft, Shannon Reichl, Cedar Combs, Ellie Combs, Courtland Capwell. 6

- Meeting scope and duration

~~ Members discussed purpose of newly-founded committee.

- Trail Status Update

- Exploration of new trail options

~~ Committee members walked portions of 360 Trails and discussed options for separation of trails and designating exclusive use to avoid potential conflict between user groups and to enhance safety. Members decided existing multi-use trails should remain open in their current status. Purpose-built trails may exclude certain user groups (ie: Equestrian trails may exclude mountain bikes (MTB) and MTB trails may exclude horses). To the maximum extent possible, all trails should remain open for pedestrian use.

~~ Future trail development areas within 360 Trails were reviewed and approved. Those areas are depicted on the attached map.

- Trail Naming

- Explore naming options

~~ Members discussed trail naming.
