VOLUNTEER PARK PLAYGROUND REQUEST FOR DESIGN PROPOSAL (RFD)

Background: Key Pen Parks would like to replace existing play equipment at Volunteer Park.

Project: Volunteer Park – Playground Project

Project Location: Volunteer Park 5514 Key Peninsula HWY N, Lakebay WA 98349

Proposal due date: Wednesday October 3, 2018, 1:00 p.m.

Please submit proposals to:

Volunteer Park Playground
C/o Key Pen Parks
5514 Key Peninsula HWY N
PO BOX 70
Lakebay WA 98349

Site:

Volunteer Park is the oldest park in Key Pen Parks system. Built in the late 70's, the park has 3 baseball fields, a skateboard park, ½ basketball court, 9 hold disc golf course, horseshoe pits, picnic shelter, swings, playground, concession stand, park maintenance shop, and Key Pen Parks offices.

The existing playground is flat and level. Key Pen Parks staff will remove existing equipment (the existing Playcraft Duo-Spring Fling will be retained and repositioned based upon design), prep site, and remove trees to increase play area to approximately 55 feet X 50 feet.

The proposed play structures and elements, including safe zones, should fit within the footprint, or smaller area. All elements shall be handicap accessible.

Project Summary:

Key Pen Parks is planning to upgrade the current playground area at Volunteer Park. Key Pen Parks would like to see items that are natural in character and color that fit the surrounding area, but not necessarily natural materials. The upgraded playground shall provide flexibility with varied activities to maintain user interest. Changes in levels, obstacles, and play elements that can be changed by users or require social interaction are encouraged. Universal accessibility is the goal. Due to space limitations Key Pen Parks is seeking combined equipment designed for 2-12 years old

The key to your next adventure!

Key Pen Parks would like to see the following components included in the design:

- Stepping items (mushrooms, rocks, trees)
- Climbing items (rocks, climbing wall, net/cable structures)
- Tunnels
- Elements which test balance, strength and agility.
- Spinners (single and multiple riders – operated by adult or children)
- Ropes (free standing as well as rope to rocks)
- Slides
- Themed Playgrounds
 - Tree house

Budget:

- \$50,000 for equipment, shipping and sales tax.
- Installation not included in budget
- Engineered wood fiber surfacing and boarder not included in budget

Installation Options:

1. Provide a price for complete installation of new equipment and reinstallation/relocation of the Playcraft Duo Spring Fling.
2. Provide a price for community-build installation of new equipment and reinstallation/relocation of the Playcraft Duo Spring Fling
3. Provide a price for installation of new equipment and reinstallation/relocation of the Playcraft Duo Spring Fling. Key Pen Parks staff would complete installation.

Timeline:

September 5, 2018 RFD issued
October 4, 2018 RFD due
October 8, 2018 to December 10, 2018 selection process
December 11, 2018 equipment ordered (or sooner)
Installation complete by March 8, 2019

Submittal requirements

- Provide one copy of your full proposal electronically to scottg@keypenparks.com .
- May submit up to two proposals.
- Maximum 24" x 36" format – drawing depicting the proposed equipment
- Maximum 24" x 36" format – drawing depicting 3-D view of the proposed equipment layout
- Equipment: cost of equipment, shipping, sales tax and various installation options.
- Capacity: how many children can be accommodated
